

PARISH COUNCIL NEWSLETTER

January 2017

Editorial

HAPPY NEW YEAR

There are one or two ideas for 'new year resolutions' in this issue of the Newsletter, from quitting smoking, to keeping fit, or being a 'special' constable.

There is a *Reminder* on page 8 about roadside parking. There have been one or two accidents recently of parked cars being damaged by passing traffic. Traffic is always a hazard in our *busy village*, with school transport, agricultural vehicles, commercial vehicles and the odd bus passing through our crowded roads. Parking safely facing the flow of traffic does help.

We have a *fairly full diary* for January with *Coffee Mornings*, *Café Church*, and a *Jigsaw puzzle competition* which sounds interesting.

**A505 Junction - Request for
information**

The Odsey Junction Action Group members are trying to bring the Hertfordshire County Council statistics up to date. If you have witnessed an accident at the junction or come across one when personally using the junction, please could you send details to me e.g. Date, time, how many vehicles involved, if the police and the ambulance service were involved, the number of people injured, whether vehicles were written off. Any information you can give would be very helpful. At present, HCC does not consider our junction to be dangerous enough for it to have more than the minimal amount of money spent on it. We have secured an agreement that lines will be reinstated and greenery cut back but a roundabout or even a reduction in the speed limit are considered too expensive. We know the junction is dangerous but we have to prove it. Please can you help? Any information you can give will be gratefully received.

Many thanks,
Cicely Murfitt

**STEEPLE MORDEN VILLAGE HALL
GETS INDUCTION LOOP SYSTEM**

Steeple Morden Village Hall
Committee is pleased to
Announce that they have recently
Installed an Induction Loop System.

At the request of the community
and hall users, the system has been added to the hall
facilities to enhance the experience of the hard of
hearing who use hearing aids.

With funding received from The
Big Lottery, the system was virtually
zero cost to the halls finances.

If you are a regular user of the hall or hire the hall as a
“one off” and wish to use the system, please contact
the Bookings Clerk for more information

NEWS FROM YOUR PARISH COUNCIL

The Full PC meets on the second Monday in the in the Cricket Pavilion (the Village Hall in winter) at 7.30pm.

The meeting is listed every month in the Village Post Office window, on the Notice Board at the Recreation Ground, and in Odsey near the station.

A copy of the full minutes from the Council Meetings may be obtained by contacting the Parish Clerk, Sally Walmesley, Redwood Lodge, South Street, Litlington, Royston SG8 0QR. Telephone 01763 852137 or e-mail sally.walmesley@btinternet.com. Minutes can also be viewed on the Steeple Morden Village Website www.steeplemorden.org and the Village Post Office. Discussion on agenda items at the December meeting included the following:

- **District Cllr Cicely Murfitt** - Reported that devolution of Cambridgeshire has been granted and a mayor and cabinet will be elected in 2017. The rail link between Cambridge and Oxford is to go ahead and the preferred option is a route between Cambridge and Sandy in Bedfordshire, linking Cambridge to Bedford. The preferred route is designated to pass near Bassingbourn Barracks across Flecks Lane, and past Hooke's Mill, in Guilden Morden. The web site is www.eastwestrail.org.uk/route-selection.
- **Finances** - Financial statement was passed. The Budget for 2017/18 was passed forward to the January meeting.
- **Recreation Ground and Conservation Area**- Access to the meadow was very muddy after the November bonfire - the use of matting was discussed. Some gravel has been laid on the path to the Tennis Courts, it is proposed to lay further gravel around the kissing gate and immediate area. Dog fouling seems to be under control, however it would help if dog owners put the plastic bags in the red dog bins, and not leave them by the side of the paths or hang them on a convenient bush.
- **Footpaths** - **Footpath 10** - has been amended (MH1 Application). **Footpath 7** - is to be reviewed further.
- **Village Website** - the current contract runs out in May 2017, various proposals have been put forward, and are being considered. Karen Brown continues to update the current website.
- **Ashwell Road** - the silver birch trees are to be replanted.
- **Village roadside parking** - a reminder on p8 of the Newsletter of the Highway Code rules on parking and night time parking.

Planning Permission Ref S/2629/16/FL - Wyndmere Farm, Ashwell Road - erection of industrial unit and hard standing area following demolition of agricultural building. (EW Pepper) Not Recommended

(The PC was concerned that there were a number of inconsistencies in the application especially with regard to the number of vehicle movements which would result, so whilst welcoming the possibility of additional local jobs advised rejecting the application until clarification had been provided)

COMBERTON RAMBLERS

Walking is good for you, good for everyone!

Going for a walk is good for your body, your mind and the environment.

For such a simple activity, the benefits are endless. It's good for your health; it lifts your mood; it's a sociable activity; and a great way to meet new people. It also counts towards the recommended 150 minutes of physical activity you should be doing each week.

So why not join the Comberton Ramblers.

CAMQUIT

0800 018 4304

Do you want to keep your new year's resolution in 2017?

You do? Then let CAMQUIT help you to quit smoking this January. We are a county-wide service that offers FREE advice and support to help smokers in Cambridgeshire to quit. We can offer you one-to-one appointments with a trained stop smoking advisor local to your home or workplace. Stop smoking medications are available on prescription and our advisors are there to help you combat your cravings and offer advice on routine changes to help you stay quit in 2017 and beyond! You are four times more likely to succeed using a service than going it alone so what have you got to lose?

If you are thinking about quitting in January contact CAMQUIT on 0800 018 4304 or visit www.camquit.nhs.uk and start your journey to being Smokefree in 2017!

GULDEN MORDEN WEA

We are pleased to announce a new 9 week course which will start on Tuesday 10th January 2017 at 7.45pm in Guilden Morden School, SG8 0JZ.

Course Title: 'Remarkable Women'

This is a new history course created and delivered by Liz Carter. Each week we will learn about some remarkable women who, against the odds in a male dominated society, throughout history, have gained respect and influence in different spheres.

A very warm welcome awaits all new and existing members.

2. Parking

239 . Use off-street parking areas, or bays marked out with white lines on the road as parking places, wherever possible. If you have to stop on the roadside

- do not park facing against the traffic flow
- stop as close as you can to the side
- do not stop too close to a vehicle displaying a Blue Badge: remember, the occupant may need more room to get in or out
- you **MUST** switch off the engine, headlights and fog lights
- you **MUST** apply the handbrake before leaving the vehicle.
- you **MUST** ensure you do not hit anyone when you open your door. Check for cyclists or other traffic
- it is safer for your passengers (especially children) to get out of the vehicle on the side next to the kerb
- put all valuables out of sight and make sure your vehicle is secure
- lock your vehicle.

3. Parking at night

248. You **MUST NOT** park on a road at night facing against the direction of the traffic flow unless in a recognised parking space

249. All vehicles **MUST** display parking lights when parked on a road or a lay-by on a road with a speed limit greater than 30 mph (48 km/h).

250. Cars, goods vehicles not exceeding 1525 kg unladen weight, invalid carriages, motorcycles and pedal cycles may be parked without lights on a road (or lay-by) with a speed limit of 30 mph (48 km/h) or less if they are

- at least 10 metres (32 feet) away from any junction, close to the kerb and facing in the direction of the traffic flow
- in a recognised parking place or lay-by.

Other vehicles and trailers, and all vehicles with projecting loads, **MUST NOT** be left on a road at night without lights.

251. Parking in fog. It is especially dangerous to park on the road in fog. If it is unavoidable, leave your parking lights or sidelights on.

252. Parking on hills. If you park on a hill you should

- park close to the kerb and apply the handbrake firmly
- select a forward gear and turn your steering wheel away from the kerb

(Taken from the current Highway Code 2016)

A focus on local businesses

In support of promoting local businesses, the Newsletter is inviting local businesses to submit a short advertorial about the products and services they offer to be included in a future Newsletter.

Have you called NHS 111 in the last month?

Please tell us about any experiences you have had of calling 111, since 19th October. This is when the 111 service that covers most local people was taken over by Herts Urgent Care as part of a [new integrated urgent care contract](#). The new service works more closely with the out of hours doctors team. For example, call handlers can now directly book an appointment for you with the out of hours team. It also links to a new mental health crisis service called First Response. If you or someone you know is having a mental health crisis, call 111 and press option 2 to be put through to the crisis team.

Next month, we are joining a formal evaluation of this new contract. We will take your experiences to this meeting, where they will be listened to by the people who are making important decisions about these services. We won't identify you when we do this.

What is learnt at this event could also influence national urgent care services, as it is part of something called the [Vanguard programme](#).

Cambridgeshire Police

Do something special this year

Cambridgeshire police is urging residents who want to give something back to their community to consider becoming a Special.

With Christmas and then New Year approaching, what better time for people to consider doing something new, exciting and rewarding.

Not only does joining the Special Constabulary allow you to do something really positive and worthwhile, it also gives you unique and valuable skills and experience.

Specials are volunteer police officers who wear the same uniform, carry the same equipment and have the same powers as police officers, including the power of arrest.

They volunteer a minimum of just four hours a week and the constabulary can fit around their lifestyle.

Being a career Special is a vocation in its own right and there is a whole range of roles, including specialist areas such as road policing, the major crime unit and the rural crime action team (RCAT).

You could be tackling anti-social behaviour, involved in crowd control at major events, going on foot or vehicle patrol, assisting at the scene of collisions, fights or fires or enforcing road safety initiatives.

You will get professional training, skills and experience that can be used in everyday life and career progression. Training takes 10 weeks and consists of distance learning via online training packages that can be completed in your own time.

People often ask if being a Special could upset their employer. Our experience is that employers are usually extremely happy for staff to become Specials and many actually support them by giving paid time off while they're on duty.

Some organisations actively encourage their staff to become Specials and work in partnership with the Special Constabulary.

For more information and an application form visit the Cambridgeshire Constabulary website
